

Here Comes the Little Yogi

Stand in a circle, put a few yogis in. Outsiders do the yogi's pose—it's a win win! Free dance is crazy time and LOTS of fun. Kidding around and around—that's how this one's done!

Here comes a little yogi skippin' down the street. Didn't know what pose to do, yogi stopped in front of me.

Hey yogi, do your pose, do your pose, do your pose.

Hey yogi, do your pose. Now do the OTHER SIDE.

Hey yogi, do your pose, do your pose, do your pose.

Hey yogi, do your pose. Do your pose and SWITCH.

Here comes a little yogi skippin' down the street. Didn't know what pose to do, yogi stopped in front of me.

Hey yogi, do your pose, do your pose, do your pose.

Hey yogi, do your pose. Now do the OTHER SIDE.

Hey yogi, do your pose, do your pose, do your pose.

Hey yogi, do your pose. Do your pose and SWITCH.

Hey yogi, do your pose. Do your pose. Now DANCE!

It's good to be a yogi who loves to dance in place! So find your groove, move your bod, a smile is on your face!

Hey yogi, do your dance, do your dance, do your dance.

Hey yogi, do your dance. Do your dance & FREEZE.

Hey yogi, do your dance, do your dance, do your dance.

Hey yogi do your dance. Do your dance. Now SWITCH!

Here comes a little yogi skippin' down the street. Didn't know what pose to do. Yogi stopped in front of me.
