[DANCE BREAK]

Bring it down mon. Bring it down. Niceness.  
We are all brothers and sisters,  
Brothers and sisters of one mother, mon,  
One mother.

That's our mother earth.

Feel her love surround you.

Feel it.

Well, show your mother love,  
Not only on mother's day,  
But every day, mon.

Every day!

Come on!

All love surround you,
