

Yoga Makes Me Strong

I took a hike up the big MOUNTAIN
YO-GA makes me strong, YO-GA makes me strong

When nighttime came I saw the STARS
I took a hike up the big MOUNTAIN
YO-GA makes me strong, YO-GA makes me strong

A friend joined me and told a joke (LAUGH)
When nighttime came I saw the STARS
I took a hike up the big MOUNTAIN
YO-GA makes me strong, YO-GA makes me strong

We took a long rest in a CHAIR
A friend joined me and told a joke (LAUGH)
When nighttime came I saw the STARS
I took a hike up the big MOUNTAIN
YO-GA makes me strong, YO-GA makes me strong

A DOGGIE joined me for my walk
We took a long rest in a CHAIR
A friend joined me and told a joke (LAUGH)
When nighttime came I saw the STARS
I took a hike up the big MOUNTAIN
YO-GA makes me strong, YO-GA makes me strong

A CAT jumped up on my shoul-der
A DOGGIE joined me for my walk
We took a long rest in a CHAIR
A friend joined me and told a joke (LAUGH)
When nighttime came I saw the STARS
We took a hike up the big MOUNTAIN
YO-GA makes me strong, YO-GA makes me strong

Then came a COW to join the fun
A CAT jumped up on my shoul-der
A DOGGIE joined me for my walk
We took a long rest in a CHAIR
A friend joined me and told a joke (LAUGH)
When nighttime came I saw the STARS
We took a hike up the big MOUNTAIN
YO-GA makes me strong, YO-GA makes me strong

COBRA!!! AHHHHHH!
Then came a COW to join the fun
A CAT jumped up on my shoul-der
A DOGGIE joined me for my walk
We took a long rest in a CHAIR
A friend joined me and told a joke (LAUGH)
When nighttime came I saw the STARS
We took a hike up the big MOUNTAIN
YO-GA makes me strong, YO-GA makes me strong
